Arrival and Dismissal Policies and Procedures

- **Parking**
 - Please park only in DaySpring's front or back lot during business hours.
 - We have permission to park in Grainger's south parking lot, northwest of DaySpring's front lot.
 - **We do not have permission to park in the lot directly across from DaySpring.**
- **Drop off and Pick up**
 - Parents must accompany students under 12 into the building and sign them in, and out, at the front desk. Please do not leave students unattended in a classroom, studio, or the lobby.
 - Upper level dancers acting in accordance with dance department policy may warm up in an open studio up to 15 minutes before class.
 - Students may arrive up to 15 minutes prior to class start time and wait in the main lobby after being signed in.
- **Late Pickup**
 - If you anticipate running late to pick up your student, please call the office and let us know so that we can provide adequate supervision. You may receive an additional charge.

Safety

- Everyone must enter through the main entrance.
- Please notify the school if someone different is coming to drop off or pick up a child. We will not let students leave the building with someone other than the adult who normally picks them up, unless other instructions have been left with the office, and the Teacher has been notified as well.
- Notify us if there is anyone that is not allowed to have access to your child, so that we can take precautionary measures in those situations.
- Students under 12 are not allowed to leave the building on their own, and we don't allow them to wait for parents outside.
- **Parking Lot**
 - Please drive slowly through the parking lot at all times.
 - Be mindful of students and parents entering and exiting the building.
 - Students should not be unattended in the parking lot at any time.

Tardiness, Absences, or Cancellations

- Some classes have consequences for lateness. If a warm up is missed the student will be asked to sit out of other physical activity. Please call the office if you will be late or if a student must miss a class because of sickness or an emergency.
- Please make every effort to notify your teacher in advance of any planned absences or tardies. Multiple absences affect the student's ability to move forward in the material, and the rest of the class as well.
- If we have to cancel a class we will strive to make-up the class, however, this is not always possible.
- In the case of **inclement weather**, we will send out a text if your cell phone number is listed in jackrabbit.com, and email notification through our online portal regarding weather related cancellations. We also will add updates to our website and broadcast as "DaySpring School of the Arts" for afternoon/evening classes and as "The Academy at DaySpring" for morning classes on KMOV TV and KSDK TV and FOX. If we are closed during the day it doesn't automatically mean we will be closed for the rest of the evening. Please call if there are any questions.

Medication

- Any Allergies or special needs should be listed in Jackrabbit. Adjustments can be made through your parent portal or the front desk.
- Medications must be brought to school in a container and labeled with the student's name. It should be given to the front desk with written instructions signed by the parent.
- Students are NOT allowed to carry any medication with them in the classroom. Contact administration for exceptions.
- Students must come to the front desk when it is time to take their medicine. No school staff will be held responsible or liable for medications of any kind.

Student Illness

- If your child vomits or is running a fever, you will be called to pick them up immediately. Students will wait in the lobby and will not be allowed to return to class.
- At home students must be fever free and have not vomited for 24 hours prior to returning to school. Please err on the side of caution to help prevent infecting an entire class with an illness.

Class Behavior

- We expect behavior & attitudes to reflect the values that we hold important. These include respect for authority and consideration for others, responsibility for self, self-discipline, kindness, modesty etc. While you are at DaySpring, please honor these values.
- Food and beverages, except water bottles, are not allowed during class periods.
- Electronic devices are allowed before and after class only, unless it pertains to the class.
- Parents should not enter classes while in session.

Around the Building

- Students must stay in the building with their teacher.
- If your student is participating in multiple classes during the day, it is their responsibility to get to each class independently.
- If your child (under 14) has a gap between classes longer than 15 minutes, an adult must be in the building with them. Outside of class time, students must remain with their parents. For breaks over 30 minutes, please contact administration for possible solutions.

Building Access - Families, Visitors, and Contractors

- All adults entering the building beyond the front lobby **must sign in at the front desk** before proceeding into the building. On your way out of the building please sign out.
- We ask that you adhere to this policy even for short visits such as pick up and drop off (if you are entering beyond the front lobby)
