

DaySpring Arts & Education

Mary Poppins Jr.

Audition Flyer

February 2025

Audition Schedule

- When: Saturday, May 10th at DaySpring's Rehearsal Hall.
 - Auditions: 9:00-10:30am (please plan to stay the full time. Consider bringing a book/quiet activity for any down time.)
 - Callbacks: 12:00pm-3:00pm (ish)

Audition Preparations

- **Prepare 1 musical theater song that is 1 minute long** to sing for the audition.
- Everyone will need a karaoke track to sing with. You may not sing along with a soundtrack/CD with a singer singing your part, nor may you sing a cappella. Please see below for information on where to find music.

Where to Find Music

- You can find most karaoke tracks on YouTube.com. Just search your song name and "karaoke" and you are likely to find many choices.
- You can also find karaoke music on itunes. These tracks are usually \$0.99 – \$1.29.
- **All karaoke tracks and YouTube links should be emailed to Miss Alecia at AleciaPlotzke@dayspringarts.org.**
 - We are not able to play music shared via Apple Music so if using itunes, please purchase and attach the file to your email.

Audition Tips/Song Choice Guidelines

- Please do not use church or pop music as it is a different vocal style and will not show us what we need to see.
- This song should be practiced and performed as if you are singing it on stage in a show. Please remember to use your face and body to really act the song. Just standing there and singing with little or no emotion does not show us what we need to see.
- All songs must be memorized. You may not hold a lyric sheet.
- If your chosen song is longer than 1.5 mins, find a good stopping place or decide how to cut it down. **We will stop you if your song goes longer than 2 minutes, so please time your song and make sure it is within the guidelines.**

Callbacks

- Callbacks will be held the same day at 12:00pm.
- The callback list will be emailed out around 11:00am once we finish our final audition.
 - Callback music will be provided via email about 1 week before auditions, so we encourage you all to get familiar with music ahead of time in case you get a callback.
 - Be aware that not all roles will have callbacks.

Please send all questions to lilianamerifield@dayspringarts.org.
